

CHICKEN SHED PARTIES

Chicken Shed & your own private bar

Extensively refurbished in October 2019 to a very high spec, this space is on the ground floor to the rear of The Hen & Chicken and benefits from its own private access to the courtyard garden. With hard flooring throughout, the main room has high ceilings & lots of natural light. It is totally self-contained. Both the bar and the main room are fully air-conditioned with humidity-monitored extract fans.

Exclusive use of the rear courtyard garden is available with a minimum food spend of £100. See terms & conditions for restrictions.

Fees & Facilities

Room hire fee £150

included in your hire fee:

- Private bar & bar staff included Fri & Sat nights (free of charge, depending on numbers)
- 1 am bar on Fri & Sat nights
- House sound system & disco lighting
- Tables, chairs & room set up
- Hire fee required to confirm booking
- Exclusive use of courtyard garden when spending £100 or more on food.

Bar / Catering

The Chicken Shed has its own private bar facility included on Friday & Saturday nights, free depending on numbers.

Down four steps from the main room, it has double door access to the rear courtyard garden.

Bar staff cost if a private bar is required. £15 ph including 1 hour before, during & 1 hour after event.

Party menus: Buffet, Sunday Roast, BBQ, Christmas.

Please note that we do not permit self-catered events. Our ground floor bar restaurant serves food in the evening 5-9.30pm.

PA & Lighting

The Chicken Shed sound is delivered by a flown, bi-amped stereo system, comprising:

- 6 x Community Veris 6 trapezoidal, mid/ high-frequency loudspeakers.
 - 1 x Community Veris 210S mono sub.
 - Sound desk: T.Mix 24.12 digital mixer (the system has been tuned with GEQ).
 - Stereo 2-way active crossover (bi-amped system).
 - QSC GX5 stereo power amplifier - mid-range + high-frequency loudspeakers.
 - Crown XLS 602 stereo power amplifier (only Ch. A driven) - mono sub/ low-frequency unit.
-
- Lighting desk: Showtech Showmaster 24 DMX
 - 4 x Par36 front white floods on a DMX controlled dimmer
 - 2 x Par64 LED floods on DMX
 - 3 x Par36 LED "spots" on DMX
 - 2 x Eurolite TSL 200 Scanners (sound to light ONLY)
 - 2 x Eurolite PST- LED spots and a half mirror ball (sound to light ONLY)
 - Please note that for private parties we have pre set party mode programmes

Sound / DJ facilities/ AV

The house sound system has been designed and installed for the specific purpose of creating a superb party sound on a plug and play basis.

With an array of moving lights, glitter ball and colour washes etc, there is no need for the additional cost of a DJ. Any party providing their own DJ should advise them to provide their own mixer & decks / device.

DJ link to sound desk: 3.5mm stereo audio jack or twin male RCA (cables provided)

Plug & Play link to sound desk: 3.5mm stereo audio jack-Client must provide their own compatible lightning adapter.

The Chicken Shed is not suitable for live bands.

Ceiling-mounted Optoma projector. (The projector cannot be moved) HDMI only

Projector screen: The entire end wall is painted with "Smarter Surfaces" grey high performance projector paint coating system. The projected image (may vary from device to device) has a max size of 110 inches/ 2m 80 (240cm wide x 135cm high) (16/9 aspect ratio)

Parking

On street parking available only. Partly restricted to residents / Pay & Display only before 5 pm Monday-Friday.
